NOTES AND NEWS

Dr. J. E. W. WALLIN, Director of the Psychological Clinic in the University of Pittsburgh, has been appointed R. B. Mellon Fellow in the division of smoke investigation in the department of industrial research of the university, with the immediate duties of making a preliminary survey of the literature bearing on the psychology of smoke, and of outlining a plan of investigation in this field. Owing to the lack of bibliographies bearing on this topic, he will be pleased to receive statements from any one who has made observations on the mental influences of smoke, or who is in a position to supply references.
